September 28, 1966

Mr. Claude Parrish  
19 Riccarton Mains Road  
Currie, Midlothian  
Scotland

Dear Brother Parrish:

I had the opportunity of reading the letter you recently wrote to Brother Frank Cawyer respecting Herald of Truth in Scotland. I deeply regret that you are not receiving manuscripts of the radio sermons. These sermons are being published before they are being presented on the air, and there is no reason for you not to have at least a limited supply by the time the sermons are presented on the program. This would necessitate using air mail rather than surface mail. I would suggest that you even be more pointed in your requests and continually lay this matter Brother Cawyer until something is done.

As you know, the Warren County, Tennessee, churches last year contributed \$14,000 toward Radio Scotland. We will again be approaching the churches of that county this year to not only support Radio Scotland but possibly raise an even greater amount for over-all expenses for Herald of Truth. Would you please write an open letter to the brethren in Warren County, Tennessee, stating your impressions and reflections and your reasons why Herald of Truth should continue to be broadcast on Radio Scotland. We would appreciate receiving it soon as possible.

I would like to make only one further request of you. Could you make a five-minute tape presentation at 7 1/2 speed and air mail that to us in the next day or so. This will be used in the presentation that will be broadcast over the radio station in McMinnville, Tennessee, and presented in all forty congregations of the county. Your assistance in these two requests with your reflections and your reasons why these churches and brethren should continue to support Herald of Truth on Radio Scotland will make our campaign what it must be--a successful one.

I am so happy to count you one of my personal friends. I still have not dropped the idea of being able to come to Scotland and study. We send you our prayers and best wishes.

Fraternally yours,

John Allen Chalk
